Work Experience

Total Sanitation Store Technician

HEB - San Antonio, TX

December 2020 to Present

This is an overnight position that I currently am employed for by HEB. The overall goal I'm responsible to achieve daily is to perform total proper sanitation of departments and equipment. For the departments, I sanitize all surfaces, wash the floors, and wipe product displays. The type of equipment that I detail clean are commercial based such as grills, ovens, dish washers, and meat cutters. I begin the cleaning process by breaking down some parts to make it easier to reach difficult spaces. Once done washing, I put the pieces back into place.

Delivery Driver/Floater

Panera Bread -American Bread Company - San Antonio, TX

August 2017 to December 2020

While being employed for Panera Bread, I was assigned to prepare/set up food product before store operations open. This also included to set up some system of services such as delivery control page and updating registers. I also am responsible of providing on lobby duties such as maintenance, waitress, replenishing the substance stations, and delivery service.

Cashier/Sales Associate

Stripes I Sunoco - Ozona, TX

November 2016 to July 2017

My employment under Stripes consisted of self managing the store by restock/unload product, inventory count(money and products) throughout the shift to close, interior/exterior maintenance of the store, and closing store systems and final inventory check for the end of the day. While my experience with Stripes had increased, I would be sent to other stores to train and aide other associates.

Night shift

McDonald's - San Antonio, TX

August 2016 to November 2016

The general task while working for McDonald was to provide restock of food and products, food preparation, maintenance and hygiene of the lobby, standing and staying up for an extended period of time, and compose customer service throughout the night with low staff

Stocker

Lowes Market - Ozona, TX

July 2015 to August 2016

Working for Lowes Grocery Market consisted of maintenance, restock and proper display of products, warehouse cargo/goods work, pertaining to customers with questions, and some clerk retailer time.

Constructor & Maintenance

Childress Contracting - Ozona, TX

March 2013 to March 2016

Childress Contracting is a company based on soil and mineral extraction such as petroleum. I was too young at the time, so I positioned to labor which consisted of maintenance, landscaping, construction, working with chemicals such as chlorine and glyphosate (typical house chemicals), and maintaining healthy plant life in the premises.
